Questions and Answers

On Sunday, November 20th, YDN *rebbeim* were privileged to attend the third in our series of Professional Development days, this time presented by first grade rebbe, Rabbi Myski.

Rabbi Myski came armed with a riveting presentation, which kept the rebbeim's eyes glued to the screen while listening to Rabbi Myski. He explained the Bloom's taxonomy on asking questions in the classroom. Open ended questions allow for talmidim to think, while close ended questions gives them the security of knowing. He also shared his unique way of exciting the boys to learn and making each talmid an integral part of the learning process.

Thank you Rabbi Myski! YDN's *talmidim* are lucky to have you on board.

YDN collected \$112 this month from the box tops program. Congratulations to Teddy Reichman of Pre 1a for winning the November box top raffle prize. Look out for our December raffle prize they keep getting better and better! Your son can bring in a filled out box top sheet for a prize in the main office any day. Keep clipping!

WE ARE MISHNAYOS BOYS!

Rabbi Biller's third grade *talmidim* were excited and delighted to finally be *zoche* to learn *mishnayos* in a way that will ensure a full understanding and comprehension of the Mishna its concepts and *halachos*. On Sunday, November 20th, the third graders and their rebbe, Rabbi Biller, celebrated this great achievement at their מעמד התחלת משניות. Each *talmid* spoke or sang as part of the program giving them a chance to shine in front of the assembled, their parents, siblings and friends. JJ Gotesman welcomed the guests after which the *talmidim* sang a *hartzige* song on the words fathers bench their sons asking Hashem that they should grow up to be *talmidai Chachomim*. Nati Zisman then said a few words as introduction to Rabbi Rawicki speaking. Rabbi Rawicki followed with *divrei bracha* to all. Third grade *talmidim* then gave an introduction to תורה שבעל פה while explaining how we got תורה שבעל פה as well as what's written in it. The boys then sang all of the 63 מסכתות of the six סדרים of משניות. Naftali Tzvi Frankel then introduced Rabb Medetsky, *menahel* of Yeshivas Ohr Reuven, who spoke to boys of the big *zechus* they have to start learning *mishnayos*.

After Rabbi Medetsky inspired all and gave his *divrei broche* Rabbi Biller's *talmidim* sang a special song written by Rabbi Biller in honor of the occasion.

Shimon Dahan thanked everyone for coming and benched them to have lots of *nachas* from the third graders always!

Teary eyed, the proud guests clapped and cheered, wowed that third graders can pull off such a professional event.

We wish much *Hatzlacha* to the third graders as they start their life-long journey of *mishnayos* learning !

Celebrated with Danishes!

A very special *mazal tov* goes to the 45 talmidim who have completed *משניות יבמות* and celebrated with a danish *siyum*. Each morning after arrival to *yeshiva* and before davening, the *talmidim* of sixth seventh and eighth grade have the opportunity to use their time in a productive manner. What otherwise would be wasted time, instead is spent learning *mishnayos* with our great eighth grade *rebbe*, Rabbi Peikes. Already with one *מסכת* accomplished, they look forward to completing the entire *sefer*

this year. All those joining throughout the year will be joining the grand *siyum* at the end of the school year.

Sponsorship opportunities available. Please contact Rabbi Peikes at npeikes@darcheinoam.org.

Yes, Ice Cream! The *shmiras einayim* program held during the *aseres y'mei teshuvah* culminated with the long awaited treat; cold ice cream with a choice of delectable toppings. The *talmidim* who participated, avoided television, non-Jewish videos, internet, computers, and video games all through the *aseres y'mei*

teshuva. Thank you to our eighth grade *rebbe*, Rabbi Peikes, for spearheading this program. We are truly proud of all *talmidim* who had the strength to join.

Parental Pride

Thank you so much for organizing the beautiful *Hascholas Mishnayos Celebration* yesterday. The boys performed so well, and they looked so precious. We appreciate all your hard work that went into making it a success. Thank you for all that you continuously do.

Sleeping in Sukkan

A chance to earn ten dollars. Who wouldn't go for it? For each night of sleeping in the *sukkah* The Rosh Hayeshiva gave YDN *talmidim* \$1, and they got a full \$10(!) if they slept in the *sukkah* every night of *sukkos*!

We are so proud of all *talmidim* that participated.
