Chesed Like Rivka Imeinu

In conjunction with *Parshas Vayera* Morah Faigy's kindergarten did a big *chesed* for the big third graders. They baked yummy cupcakes then "traveled" all the way up-stairs and gave one out to each third grader. Rabbi Biller's third graders had just completed their first

משנה and celebrated by getting some yummy cupcakes!

kindergarten boys lucky enough to have a brother in third grade gave their own brother a cupcake.

No Kid Will Be Left Behind!

We would like to thank two very talented Occupational Therapists, YDN Parents, Mrs. Ricki Dembitzer and Mrs. Rikki Spivak, who took time from their busy schedules to help out in the Pre1A. Mrs. Dembitzer did a fine-motor screening of the boys, checking their abilities to grasp a pencil correctly and cut properly with scissors along with general body and hand strength. She brought in so many fun activities to help the boys with their finger strength as they prepare for writing. Mrs. Spivak spoke with the boys all about their core strength and how that affects their arms and hands. The boys had so much fun as she taught them how to use animal walks to help them build their muscles. They did the Bear Lumber, The Donkey Kick, The Penguin Waddle, Creeping like a Crab and the Wheelbarrow. Thank you so much to these special mothers for sharing their knowledge to benefit our boys! Now every *talmid* can continue on his own journey towards learning to write and cut, confident with his level of fine motor skills.

Seventh Graders Shteiging

It isn't all hard work after all! Seventh grade *Rebbe*, Rabbi Prupas, treated his *Talmidim* that completed the *Hasmada* program over *Sukkos*, with a wonderful sushi lunch. The seventh graders dug in, proud of their accomplishments over *Yom Tov*. A huge thanks to the Weltins for sponsoring the treat. It was delicious!

Rebbi's Farm

Rabbi Lowy's fourth graders were introduced to Rebbi's farm!!! The fourth grade learned how on *כיפור* the *כהנים* would lead bulls, ram and sheep before the *גדול* so that he should recognize the animals and be familiar with the *עבודה*. In the pictures you can see the boys doing the same in class! *כהן גדול* leading before the bulls, rams, and sheep.

FUTURE MESIVTA BUCHORIM

Eighth Graders are getting ready for Bais Medrash. As they are learning in Yeshivas Ohr Reuven they can taste next year's successes!
