Glitter!

What's going on?

Have you noticed glitter on your hands?!

Lincoln Links-in to YDN

Yet again, the 16th president of the United States, Mr. Abraham Lincoln, made a guest appearance at Yeshiva Darchei Noam to commemorate the 153rd anniversary of the Gettysburg address. The Great Emancipator challenged the students of YDN in grades four to eight to commit his masterful speech to memory, and returned this past Monday to see how well they did. Mr. Lincoln is happy to report that numerous students throughout the school had memorized large portions of the speech. He was particularly impressed with Dovi Robinson and Eliezer Dovid Baldinger in the fourth grade who recited almost the entire speech by heart and by Daniel Robinson and Shlomo Gottlieb in the fifth grade who presented error-free renditions of the famous address. Honest Abe walked away from YDN confident and secure in the future of our country and in the amazing young men we are educating to lead the next generation!

Rosh Chodesh Treat

Lekavod Rosh
Chodesh Kislev,
and as a fundraiser for
the eighth grade year-

book, Rabbi Schuster's students presented a canteen for the YDN *talmidim*. Hot pretzels, sour sticks, and cry baby tears, were just some of the amazing options to choose from. The eighth graders even had a special: a hot pretzel, mondo and a bag potato chips for only \$1.75! YDN *talmidim* enjoyed the special treat, while the eighth graders "raked it in".

Honored with a visit

Rabbi Peikes' eighth graders had the *zchus* to have the Rosh Hayeshiva visit their class on Sunday December 4th. The Rosh Hayeshiva learned a *sugya* with the eighth grade *talmidim* and then asked a high value question on *Parsha* and on *Gemara*.

Moishy the *Middos Mentsch*

Moishy the *Middos Mentsch* has come to visit Pre1A! Moishy comes to visit the class on a weekly basis and introduces a new *middah* each time. The *Middos Mentsch* program is a social skills program where the boys learn all about how to tune into one another, recognizing their own feelings, reading their friends' body language, paying attention when someone is talking, how to be assertive while still being respectful and many other things pertaining to friendship and communication. This program is extremely age-appropriate and helpful as the boys are learning to navigate the world around them and to communicate appropriately with one another. Each week the boys bring home a folder with the *middah* of the week and a fun page to do. Each time a boy brings in a completed worksheet or a *Middos Mentsch* mail from home, he receives a baseball sticker. Boys also receive baseballs throughout the day as they demonstrate the *middah* of that week. Each time they get a "home-run", they get to put in a raffle ticket and at the end of the week, each participating boy receives a prize. What a fun way to work on good *Middos*!

A Chance to Win Big!

The *Yivanim* were out to destroy the *neshama* of *Klal Yisroel*. One of the decrees they made was the prohibition against keeping Shabbos.

Here in YDN, this month's program is showing the *Yivanim* that they cannot defeat us. Each class received a special checklist highlighting how special *shabbos* is. On Rosh Chodesh Teves each class will have its own raffle for a special *becher*! As the grand prize, a silver filled *becher* will be raffled off for the entire yeshiva. Please contact the yeshiva office or email Rabbi Plotzker at bplotzker@darcheinoam.org to sponsor this or any of our special program.
