Yeshiva Darchei Noam Celebrates Chanukah!

YDN CHANUKAH MESIBA

Voices, expressions, fascinating stories, and magic! Yes, it's the famous "Rebee Hill"! On Wednesday, the fourth day of Chanukah, YDN *talmidim* grades 1-5 were privileged to hear a story like never before! While performing, Rebee Hill incorporated magic tricks into the story, keeping the *talmidim* spellbound. With his jaw dropping drama, he swept the boys back to an era of the past keeping the *talmidim* entertained while imparting a deep sense of *emunah*. Grades 6-8 got to hear a riveting and highly sophisticated story of their own. The sweet finishing touch was the delicious donuts at the end of the show. Thank you to the *N'shei* for sponsoring the show.

CHANUKAH IN PRE 1A

A wonderful Mommy-and-Me Chanukah Chagiga took place in Pre 1a on Chanukah. The Mommies were invited to take part in some of the special activities which are done in Pre 1a. There were seven stations set up for each mother to do along with her son. Chanukah cookie decorating, doughnut icing, Pin the Candle on the Menorah game (where the mothers were blindfolded as well!), a chocolate coin hunt and making a Chanukah card were some of the activities. Each boy also got to take a picture with his Mommy at the special Photo Booth and then make a frame for the picture to go on! Most importantly, each mother got to spend some special quality time with her son in his classroom. What a special day! Thank you to the Silber and Zisman families for donating the beautiful tiles for the Pre 1a menorahs.

CHANUKAH in 1ST GRADE

Rabbi Myski's first graders had a grand time preparing for *Chanukah* by making their very own candles. Rabbi Myski showed his *talmidim* how real candles are made and then they all had a chance to dip their wick in melted wax until a candle formed. They then got to take home their own candle, to put it on their very own (or their fathers) *menorah*!

CHANUKAH in 2ND GRADE

Rabbi Pruzansky's second grade played a game of *Dreidel* on *Chanukah*. When a *talmid* got a *gimmel* or a *hay*, they got to pop

a balloon and read the message inside. Then they had an ice cream party(!) and got to decorate their very own *menorahs*.

CHANUKAH In 8th GRADE

Rabbi Peikes' *talmidim* paid a visit to his house to celebrate *Chanukah* with a *Mesiba*. Eighth graders Yehoshua Lichstein, Yisroel Schneeweiss and Yitzchok Spivak addressed the class. Rabbi Peikes also arranged for Rabbi Krancer, the *Rov* of Derech Emes, to attend as the guest speaker. There was great food and amazing games! Congratulations Nussy Pachman on his lucky win of a remote control helicopter. Thank you to Mrs. Peikes for being so accommodating

and for the delicious *latkes*!
