

## Darchei Doings at a Glance

Thank you to the Gottesman family for sponsoring the Rosh Chodesh Adar's *hamantashen* in honor of the *Yarzheit* of Frumit Rina bas Shlomo Aharon A"H and in honor of JJ's *rebbe* Rabbi Biller and teachers and Daniel's kindergarten teachers.

### "The Kettle, the Iron and the Apple"

YDN *rebbeim* were once again privileged to hear from one of the YDN *rebbeim*; and this time it's Rabbi Peikes! On Sunday, Rabbi Peikes spoke on the title "The Kettle, the Iron and the Apple" interesting all in what the meaning of the title is. And the answer: with the right hook you can get people interested! He expounded on the wonderful connection the Darchei Noam *rebbeim* have with their *talmidim*, and how the *talmidim* love coming to yeshiva each

and every day!

### Har Sinai Cakes, Torah Lollies and More!

Rabbi Lowy's fourth grade celebrated their well-deserved siyum for Parshas Yisro and Beshalach. To celebrate they had pizza, fries, soda and candy. They also had specially ordered "Bells" from "Zishes Bakery", representing the קולות וברקים and הר סיני. The homemade תורה chocolate lollies that were on top of the mountain, made it look very complete and they were really delicious. Many boys prepared their

own Divrei Torah and the singing and dancing was very *lebedig*! See Tzvi Schwab thanking and praising Rabbi Lowy, on the Darchei Noam Website, by the video tab or by clicking [HERE!](#) Thank you to Mr. & Mrs. Newhouse for sponsoring the siyum in honor of Moshe.

## 147,000 Points in Hasmada

Rabbi Schuster's seventh graders excitedly looked forward to the *hasmada* raffle. And finally it arrived! The *talmidim* know, of course, that Torah is not just something done in yeshiva, but it is our life. By learning, davening, saying *divrei torah*, and helping for Shabbos, Rabbi Schuster's seventh grade *talmidim* earned over 147,000 points in their first semi annual *hasmada* contest! Rabbi Schuster is super proud of this great accomplishment, and is looking forward to an even larger number, and greater participation, in their second contest.

## A See-yum for Sixth Grade

Rabbi Plotzker's sixth graders celebrated their see-yum on *Parshas Beshelach*. *Talmidim* brought in nosh with a twist - they had to bring in something which they connected to the *Parsha*. Blue sour sticks for *techeiles*, cry babies for the *bnei yisroel's* reaction to the *meraglim*, were among the treats the class enjoyed. While the class was enjoying their *siyum*, they were visually inspired by watching 'the search for *techeiles*', from the Living Torah Museum, as the *Parsha* of *ticheiles* in *tzitzis* is written at the end of *Parshas Shelach*.

Darchei Noam Celebrated Three talmidim becoming Bar Mitzvah on Thursday, February 23rd. See Mordechai Monczyk, Bentzi Warum and Donni Redlich having an Aliya?
