YDN Raffle Campaign Kicks Off With a Trip!

What a great time was had by all! YDN's annual raffle campaign got off to a special start as the boys were treated to a

trip to the "BUBBLE"! All the *talmidim* in grades 1-8 were taken to the HUGE indoor bubble at the Joseph T. St. Lawrence center in Hillburn where the boys got to gear up for an amazing

time and enjoy their favorite sports games. This was the Yeshiva's way of thanking the boys for the hard work they put into the

campaign last year and energize them for this year's raffle. Purim is around the corner and anyone can win, so make sure to take your ticket booklets with you wherever you go!

MECHIRAS YOSEF MASTERPIECE

Rabbi Biller's third graders performed the most spectacular play ever! The *talmidim* performed in front of parents, grandparents, siblings, aunts and uncles, in total an audience of well over 100 guests. The boys acted more mature and confident than their age, thanks to Rabbi Biller who kept repeating the concept of "talking with CLASS", the acronym for "Clear, Loud And Super Slow". The boys' acting was incredible! The audience was astounded! They cheered and clapped on and on as they watched their (once...) little boys get up on stage and perform like professionals, full of confidence, maturity and pride.

Countless hours were put into preparation for this moment, from writing the script, memorizing their lines, practicing with the boys to say their lines with CLASS (clear, loud and super slow), getting costumes, props, music etc. The *talmidim's* benefits from the play are innumerable, but include self-confidence, public speaking, maturity, discipline, team work, getting along with fellow actors and more.

As always, the parent body was extremely helpful with sponsoring and helping out with whatever and wherever necessary. Thank you to all parents and grandparents for placing greetings in the playbill booklet. Thank you to the Kirschners for sponsoring the lunch and drinks for our budding actors backstage! To all those who helped out with the sweet table for all the guests: Mrs. Fishman, Mrs. Mause, Mrs. Gottesman, Mrs. Stein, Mrs. Weisberg and Mrs. Monczyk. To all other parents for offering to help out in various ways. To Mr. Gilden for recording and editing the play professionally so we'll have long lasting memories! And to the Perlman family for sponsoring a copy of the play's video to be distributed to the *talmidim*.

And of course a Thank you to Rabbi Biller. May *Rebbe* have the strength to continue to instill in his students the love for תורה and מצוות combined with growing in good *midos* and self-confidence.

ADAR BEGINS WITH A BANG!

Our *talmidim* were treated to a gala carnival this week, celebrating Adar and the upcoming *yom tov* of Purim. The eighth grade class outdid themselves in putting together a spectacular treat for all ages. The prizes, popcorn, and fun time were the highlight of the week.

Our younger and older classes enjoyed the many fun-filled activities ranging from hockey shots to chocolate chips in marshmallow fluff, to free-throw shooting to bowling. A very special thank you to our eighth grade, and eighth grader *rebbe*, Rabbi Schuster, not only for arranging such a great day, but for working as hard as they could to ensure that all had a great time!

Rabbi Lowy's fourth graders visit for Melava Malka

The Special *Motzei Shabbos* finally arrived!! And what a special event it proved to be!! Rabbi Lowy's 4th graders behaved with great maturity and made a true *Kiddush Hashem*. They enjoyed a sumptuous melava malka with a beautifully decorated dining room in Rabbi Lowy's home in Williamsburg. Live music, dancing, and a special prepared slide show featuring loads of pictures of all of them in 'ד כמה this year - made it a night to remember by all!! The *benching* together so nice and loud was a *nachas*. At "departure" the boys were surprised with a personalized gift and a pekele to take along on the way. Thanks so much to Dr. Book for chaperoning,

and the Fleicher family for their special help. Thanks to Daniel Pikus, Eli Fleicher, Tzvi Schwab, Chanoch Book, and Eliezer David Baldinger for sharing *divrei Torah*. The coach bus was also a ride to remember, thanks much to the Book family!
