### Rabbi Prupas' 7th Graders Shopping for Arba Minim

After learning all about the *halachos* of the *Arba minim*, the seventh grade were treated to an amazing trip to an *Arba minim* seller! They examined and discussed the different *esrogim* and *lulavim*. Some of them bought their very own sets! Customers were very impressed with the boys excitement and behavior and commented on how privileged they are to learn at YOR that gives them the opportunity to learn about a hands on *mitzva* of *arba minim* in such a meaningful way! Thank You Rabbi Prupas for arranging such a

nice trip!

### The Rosh Hayeshiva's Visit to Grade 4

Rabbi Lowy invited the *Rosh Ha'Yeshivah* one day to answer a question that a *talmid* asked, "Why should I *daven*?" The *Rosh Ha'Yeshiva* prepared the question even harder. Hashem knows what we need stronger; for example, if we *daven* for a person that needs a *refuah sheleima* doesn't Hashem know that the person is sick and needs a *refuah sheleima*? The answer is, Hashem purposely created the world in a way that we have to *daven* and ask for things. He wants us to have a relationship with Him, and that we should have to be close to Him. What a strong and important message everyone learned. The *talmidim* then continued *davening* with *geshmak*!

Here is your golden opportunity to make  
256 Yeshiva Ketana *talmidim* happy!  
Call Mrs. Needleman at 845 494 2360  
if you would like to sponsor a monthly  
Rosh Chodesh treat this year.

In the past, families have sponsored in honor of  
*yahrzeit*, birthday and our amazing *rebbeim* and teachers.

Welcome to the Ben Shlomo Family and  
their son Daniel!

## Healthy Habits

### "BREAKFAST"

Are your kids "scrambling" in the morning? (I don't mean—EGGS!)  
Quick & Nutritious "Breakfasts on the Go"

Cheese stick with marinara sauce to dip and a box of raisins or a banana  
Cereal in a cup (whole grain and high protein is best!) and a piece of fruit  
How about a Breakfast Burrito?? (Whole grain tortilla/wrap is best!) Fill it with:  
Eggs and Salsa/Veggies and Cheese, Nut or Soy Butter and Bananas (I like to drizzle that with honey!)

Is your son NOT a breakfast eater??

Send breakfast as his morning snack He may actually WANT to eat it then!  
(No peanut/nut products, please.)

Thank you Nurse Aimee for sharing 'Healthy Habits' with the 'Reuven Review'

## Going Hiking

The 8th Graders had a grand time and truly enjoyed every minute of their special hike!

They were privileged to go with Rabbi Brodie and went to Harri-man State Park, which was so amazing! The boys were also treated to go to a fire tower and to a waterfall. Oh! Was that fun ...
