"IT HAS BEEN A TRUE PLEASURE WORKING WITH YOUR STUDENTS. THEY ARE IMPRESSIVELY ENGAGED AND CREATIVE YOUNG MEN. WE WISH YOU A VERY HAPPY CHANUKAH AND HOPE TO WORK WITH YOU AGAIN IN THE FUTURE!"

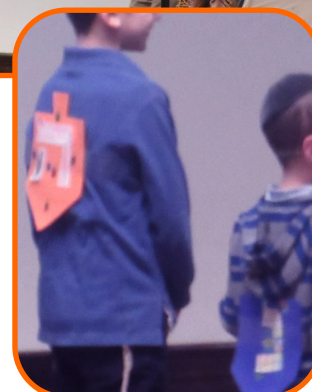

FROM THE TEAM AT THE NORWALK AQUARIUM

CHANUKAH MESIBAH IN YKOR

YKOR celebrated Chanukah in style last Thursday. All of the *talmidim* gathered in the auditorium eager for the *mesibah* to begin. The amazing show performed by Master Ventriloquist- JONATHAN GEFNER was a resounding hit, as the pictures here will attest. Songs, shows, donuts and so much more were all part of what made the second day of Chanukah something to remember by all YKOR students.

The second annual YKOR Project Based Learning Fair was launched this week. This year, the entire middle school will be designing and building projects that relate to the theme of travel. 6th graders-model bridges. 7th graders-model ships. 8th graders-model airplanes. Parents and younger students will be invited to view and learn about the projects on Sunday, February 25 IYH and will also partake in hands-on science activities related to flight, buoyancy and forces in our science labs run by our students. Awards will be handed out in the following areas-research and information in science and history, design and engineering, collaboration. The boys have begun the preparation and planning in their teams.

Would You Be a Patriot or a Loyalist?

7th graders are analyzing primary and secondary source documents pertaining to the years leading up to the American Revolution and writing about whether they would choose to be a patriot or loyalist based on the evidence in the documents. The boys appreciated hearing Rabbi Gottlieb share from his own experience about the value of good debating skills and the ability to support an argument.
