## Chinese Auction!

YKOR students were busy all week buying raffle tickets for the exciting prizes offered at the "Chinese Auction" that the eighth graders managed.

## Technology Adventure

The eighth grade *talmidim* who participated in the Technology Awareness Program were treated by their *rebbeim*, Rabbi Peikes and Rabbi Auslander, to a visit to Urban Air Trampoline and Adventure Park in Hackensack. The time flew by, as did the boys, who had the time of their lives on the trampolines, in the foam pit, and playing dodge ball and basketball with the added powerful thrust provided by the trampolines at each location. Thank you Rabbi Kahana and Shalom Nemtzov for chaperoning; it was greatly appreciated. Special thanks to the following families who sponsored the trip: Pollack, Silverman, Feder, Kahn, Muller and Book.

### ...AND THE KIDDUSH HASHEM RAFFLE WINNERS ARE:

2nd Graders: Aharon Becker, Tzvi Neuhauser, Shimon Greenspan, Eli Fine, Chaim Cohen 3rd Grader: Shlomo Eichler  
5th Graders: Yosef Warum, Moshe Newhouse 6th Grader: Shalom Gross 7th Grader: Yehuda Lichtstein

## Taking it Outdoors

The first graders were delighted when their rebbe, Rabbi Myski announced that rather than staying inside the classroom for the day, the class would be going outside to learn to take advantage of the pleasant weather.

The *talmidim* really enjoyed the change, and learned with even more *hasmadah* than usual.

Of course, now they are looking forward to the next spring like day.

## Inspiration

The eighth graders had the *zechus* of hearing Mr. J.J. Eizik address the *talmidim*. Mr. Eizik, a cancer survivor and alumnus of YKOR spoke about developing *emuna* and *simcha* as a perspective for life. It was fascinating to hear firsthand how such an amazing individual's *emuna* was strengthened by the challenges he faced. But *emuna* and *simchas hachaim* don't have to only come out during hard times. The message relayed to our students, can be strengthened at home as well: Developing such an outlook when things are going well is vital too.

## Rabbi Plotzker's 6th Graders had a grand time by their "Melavah Malka"!

## You Can Count on Pre 1-A

Our Pre-1A is speeding through numbers, using their new skills to make every minute count. In math, the boys are building on their skills identifying and writing numbers. Not ones to just sit around, the class practices numbers by jumping, hopping and walking backwards and forwards on a number line.

Sammy Tenenbaum with the number he made from clay!
