## Mechiras Yosef Production

Excitement mounted as the weeks of preparation progressed. The big day arrived this past Sunday when Rabbi Biller's third graders truly outdid themselves as they presented their major *Mechiras Yosef* play. Getting to meet the crowd of inspired parents and guests who came to see what the talented stars had to offer was an added bonus for all.

## Having a Ball in Iyar

In honor of *Rosh Chodesh Iyar*, and the advent of a new season, each YKOR class received a much appreciated gift sponsored by the Nshei. The students were thrilled by the fact that each class now has their own soccer ball and football so that the students will be able to make the most of the up and coming nice weather. A big thank you to our thoughtful Nshei for a truly appropriate gift is certainly in order.

## Middle School Updates

The 8th graders are studying immigration at the turn of the 20th century. They are using primary sources to support their discussion about the shift in immigration laws at that time. They are also connecting it to current events and the conversation on immigration that is taking place today.

### Great Accomplishments

Rabbi Prupas is really proud of his seventh grade *talmidim* for their accomplishments over Pesach. Congratulations to all of the boys who put in the effort over Yom Tov to follow one of the two *chazarah* programs. An impressive eleven boys reviewed the entire *Hakones* and all of what was learned from *Hachovel* over a mere thirteen-day time span. The eleven *talmidim* were deservedly treated to an enjoyable dinner at Kosher Castle. For the boys who reviewed *Hachovel*, there will still be a pizza party to reward those *talmidim* for their hard efforts and impressive achievements.

### Condolences
