Siyum Celebration

Rabbi Pruzansky's second graders celebrated the completion of *Parshas Chayei Sarah* with a Grand *Siyum* barbeque. The celebration began with an ani-

ma ted game of kickball followed by a full array of grilled food offerings accompanied by soda, chips, pickles and a frozen

ices dessert. After such an exhilarating *siyum*, the *talmidim*

are ready to get back to learning with their usual *hasmadah*.

Technology Awareness

In honor of the Technology Awareness Program, Rabbi Peikes's eighth graders went to the Air Rock Gym in Albany which included a caving experience as well as a zip line. A thank you is due to Rabbi Yaakov Kahana and Shalom Nemtsov for chaperoning the trip.

Fun at Funplex

Rabbi Biller's third graders were treated to a fantastic trip to Funplex where the students had a thrilling time on the bumper cars, playing laser tag and experiencing the variety of other rides and activities available throughout the Funplex complex. Rabbi Biller expressed how impressed he was with the *Kiddush Hashem*

the *talmidim* made through their exemplary behavior and *middos* during the course of the trip.

Thank you to Mrs. Deutch, Mrs. Eisenstadt, Mrs. Grossberger, Mr. Gutmacher, Mrs. Kaplovitz, Mrs. Needleman and Mrs. Schiller for giving of their precious time and assisting with the third graders' transportation.

Pre-1A Chazonim

As the Pre-1A students get ready for their upcoming *Siddur* Party, the boys have been diligently practicing *davening* from a *siddur*. Each day, a student is chosen to be the class *chazan*. The *chazan* understands that his job is to say the words of the *tefilla* clearly while looking inside the *siddur* and following along with the words as he says them. Many of the students have already had the change to be the *chazzan* while the rest are eagerly awaiting their turn.

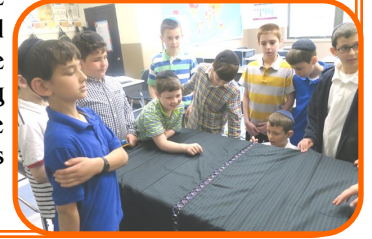

Bais Hamikdash in Real Life

Can you imagine yourself in the *Bais Hamikdash*, seeing all the holy, special כלים and walls in real life?! On Tuesday, *Talmidim* in grades fourth through eighth were lucky to have the privilege of watching the amazing virtual reality tour of the *Bais Hamikdash*. Each boy had a chance to put on a headset and feel like they really live in the times of the *Bais Hamikdash*. The boys looked up and down and all around and were amazed, to say the least. Although there was no interactive talking between the *Talmidim*, the room was filled with 'wows'.

Learning to Real Life

Building on the Rabbi Lowy's fourth graders excitement from learning about the בית המקדש and משכן this year, the class has actually been inspired to build their own כלים. Many of the students have already decided exactly what they are going to build. The goal is to present the unique models to the parents and grandparents before the end of the school year.

Learning and Understanding

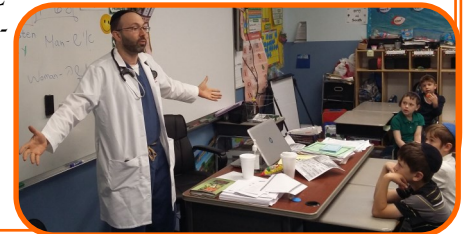

Rabbi Myski's 1st graders are learning the meaning of the *bracha asher yatzar* as part of the class's *Birchas Hashachar* project. The boys who say the *bracha* while looking at the words on the *asher yatzar* poster can add their initials to the list for a *zchus* for *refuah shleima* for ריסא שושנא.

The *talmidim* had the privilege of having Dr. Bloom, father of first grader Tuvia Bloom and uncle of Dovi Brodie, speak to them about the amazing *Niflaos HaBora* of how a body functions which added even more impetus to their drive to say the *bracha* of *asher*
