Looking forward to greeting you!

Here is your golden opportunity to make 256 Yeshiva Ketana *talmidim* happy! Call Mrs. Needleman at 845 494 2360 if you would like to sponsor a monthly Rosh Chodesh treat this year. In the past, families have sponsored in honor of *yahrtzeit*, birthday and our amazing *rebbeim* and teachers.

Hascholas Mishnayos

Rabbi Biller's third grade *talmidim* were excited and delighted to finally be *zoche* to learn *mishnayos* in a way that will ensure a full understanding and comprehension of the *Mishna*, its concepts and *halachos*. On Sunday, November 5th, the third graders and their *rebbe*, Rabbi Biller, celebrated this great achievement at their *metzud* *hachlata* *meshinot*. Each *talmid* spoke or sang as part of the program giving them each a chance to shine in front of the assembled. Hillel Hook and Menachem Perkowski welcomed the guests after which the *talmidim* sang a *hartzige* song to the words that fathers say to bench their sons, asking *Hashem* that they should grow up to be *talmidai chachomim*. Yehuda Gottlieb then introduced, the *menahel*, Rabbi Rawicki, who spoke and offered *divrei brocha*. The third graders introduction to how *torah* is passed down through the generations. The boys sang all sixty three *meshinot* of the six *sederim* of *Maschta* of the *Rosh Hayeshiva*, the assembled were privileged to hear words of inspiration and *divrei brocha* from the *Rosh Hayeshiva*. Rabbi Biller's *talmidim* continued with a special song written by Rabbi Biller in honor of the occasion. Shaya Vilinsky then thanked everyone for coming and *benched* them to have lots of *nachas* from the third graders always! Parents, grandparents, and great-grandparents who came from near and far, were so proud and *shepped* much *nachas* from their beaming boys up on stage!

We wish much *hatzlacha* to the third graders as they start their life-long journey of learning *mishnayos*!

"Fill The Chessed Hospital Rooms

The *menahel*, Rabbi Rawicki, is so proud of how enthusiastically the *talmidim* accepted the invitation and it's astounding to see the amount of food that is coming into the yeshiva on a daily basis! We are currently up to 16 boxes collected!!!

Talmidim: keep the packages coming!

We are so proud of you!

Mishnayos Chaburah

After almost two months of extra learning, the *Mishnayos chaburah* celebrated their

מסכת בבה קמא of סיום. And what a mouth watering celebration it was, as the approximately thirty participant received a breakfast special. We look forward to hearing about the *siyumim* as the *chabura* continues to work towards their goal of completing *sefer nezikin*. To sponsor a future day, מסכת or סיום please email Rabbi Peikes at npeikes@darchinoam.org.

All Fired Up with Enthusiasm

Want to know exactly what to do in case of a fire, *chas vshalom*?

Just ask Rabbi Myski's first graders who learned safety rules firsthand from Twizler, a member of the Suffern Fire Department. The boys listened quietly and politely and were fascinated by what they heard.

Congratulations to our Seventh Graders

A huge *Mazel Tov* to all *talmidim* in Rabbi Prupas' seventh grade for successfully completing their first *kaballah* as a group! The *kaballah* this month was to say *aleinu* from a *siddur*. Right after completing the first *kaballah*, the *talmidim* happily agreed to accept a new one for the coming month! What a tremendous accomplishment! To celebrate, the class was treated to cake and hot cocoa! Rabbi Prupas was surely proud of his amazing *talmidim*!

Bringing a Lesson to Life

If a picture is worth a thousand words, the fourth graders in Rabbi

Eli Stein and Nati Zisman acting out what they learned

Lowy's class were shown a hundred thousand (or a million!) words as they learned exactly what it was like years ago in

the times of the *kohen godel*. All aspects of his life were covered, from the way the *ziknei bais din* made the *kohen gadol* swear to how the *ziknei kehunah* taught the *kohen godel* how to do *chanifas haktore*s.

\$\$\$\$ Catching Our Zzzs \$\$\$\$

"A dollar a night, made me sleep in the *sukkah* tight!"

When the *talmidim* heard about the *sukkah* program they decided to sleep on it. Literally! For each night they slept in the *sukkah*, they were paid a dollar and for a full week of sleeping in the *sukkah* - **\$18.00!** It was a win-win situation; well rested boys, a special *mitzvah*, and *gelt* to boot!

Seventh graders, Simcha Mayerfeld, Dovid Haas, Ezriel Laster, Moshe Herman, Yehuda Lichstein, Dovi Silber and Avrohom Yaakov Schuster receiving their \$18.00!

Sixth graders, Yehuda Baruch Sapirstein, Shlomo Gottlieb and Malkiel Gutmacher receiving their \$18.00!

Bubbling with Alef-Bais

What a wonderful week this has been for the Kindergarten boys! They learned their second letter '*bais*'! It was so much fun to **blow bubbles** with **blue bubble wands** and really enjoyable to use **binoculars** to see things near and far! It was a **blast to bopp balloons** to the music and **bust** them! What a fun way to learn the *alef-beis*! The boys get a special *alef-beis* sticker if they practice their *alef-beis* at home. After all "Practice Makes Perfect!"
