Chesed Count

The Yeshiva's total count of *chesed* items reached to over

64,000
items!!!

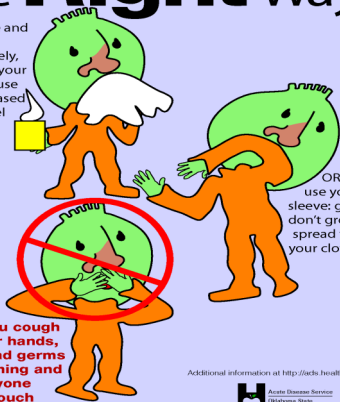

Wow! Wow! Look at that!
What a number!
Something to be proud of!

Healthy Habits

Let's talk etiquette—
RESPIRATORY ETIQUETTE

Cover Your Cough The **Right** Way!

Use a tissue and
trash it
immediately,
then wash your
hands or use
alcohol-based
hand gel

When you cough
into your hands,
you spread germs
to everything and
everyone
you touch

The sky is the Limit for YKOR Chesed

As YKOR's hallways lined with an ever growing number of packed boxes can attest, the yeshiva's *Chesed* Program was a tremendous success. The atmosphere throughout the duration of the program was remarkable with everyone talking about *chesed*, *chesed* and more *chesed* as eager *talmidim* contributed more food items each day. CONGRATULATIONS to the

fifth
grade
talmidim

who made the biggest *Chesed* showing of all, as they were so motivated that they had the most calculated points! Way to go!

Fourth Grade
talmidim, we are
so proud of you!
This class contributed
over 16,500
items!! WOW!!

Hatzolah Makes a Call

The kindergarten boys had a special visitor during the past week. Mr. Menny Schwab, Yochanon Simcha's father who is a *Hatzolah* member, came to visit him and his classmates. Mr. Schwab told the boys all about what it is like to be a *Hatzolah* member and take calls round the clock, 24 hours a day, dropping everything in order to be able to have the opportunity of being there to save a life during an emergency. Mr. Schwab's talk was utterly fascinating to the kindergarteners, and Yochanon Simcha was pleased to show off how very special his father is for the work he does for the *klal*.

Inspiring the 3rd Graders by Heart

Rabbi Biller's third graders had the honor of having Rabbi Rudinsky address the class. The Rosh Hayeshiva spoke about what a big *zechus* the boys have now as they are beginning to learn *mishnayos* for the first time. The Rosh Hayeshiva also spoke about how *choshov* it is to know *mishnayos* by heart and how by learning *mishnayos* by heart, it becomes an integral part of that person.

In order to encourage the students to study *mishnayos* by heart, Rabbi Rudinsky invited the *talmidim* to come to his office to get tested. The Rosh Hayeshiva offered an award of half a dollar for each *mishna* successfully learned by heart; five dollars after every *perek*, and twenty dollars at the end of the year if they get tested on everything they learned the whole year! Wow! The boys sat with great *derech erez* while Rabbi Rudinsky addressed them and listened to every word mesmerized. Inspired by the Rosh Hayeshiva's generous offer, the race is already on to see who will be first in memorizing an entire *perek*.

Seventh Grader, Yehoshua Dahan, receiving money from the Rosh Hayeshiva for answering a *teretz*!

Pre 1-A filled up their whole tzedakah box! Huda Stansky giving over the box to Rabbi Rawicki

Middle School Updates

- ◆ The seventh and eighth graders performing experiments on Long Island Sound.

- ◆ The eighth graders have begun working on DBQs—document based questions—analyzing the participation of Jews on both sides of the Civil War. The seventh graders are working on writing essays comparing and contrasting forms of protest during the time of the Revolutionary War.

Congratulations
