### V'ahavta Stars

Mrs. Nadav's Pre-A class is really getting there as they absorb a deeper understanding of the *mitzvah* of ואהבת לרעך כמוך. Every boy is doing his utmost to make sure his classmates feel good and to include everyone when they play. The *morahs* are seeing such a difference on a daily basis as the boys rush to check on a friend who has fallen down or go out of their way to be מוותר during playtime. The class's ואהבת לרעך כמוך star chart is decorated with too many stars to count.

## Healthy Habits

Let's shine a lightbulb on Food Allergies!!

There are nearly 6 million children in the U.S. living with a food allergy. That's 1 million MORE children than it would take to fill EVERY SEAT in EVERY. MAJOR LEAGUE. STADIUM.

Let's learn more about food allergies during Food Allergy Awareness Week! May 14-May 18, 2018.

Thank you Nurse Aimee for sharing "Healthy Habits" with the "Reuven Review"

## Middle School Updates

Sixth graders wrote opinion essays on current events topics such as healthy vending machines and healthier versions of Coca Cola. It's interesting to read the suggestions they make on how to improve on these trends.

## Learning Hands-On

Last week, after a lesson on how the כרבים, ארון and כפורת were made, the *talmidim* in Rabbi Lowy's fourth-grade classroom had a chance to create their very own ארון. In פסוק כה', the boys learned how the כרבים looked and were then able to demonstrate the appearance exactly. They also learned how the שלחן was made and gained an understanding of the many נסים that happened with the לחם הפנים. Rabbi Lowy shared an enthralling story with the *talmidim* of how the לחם הפנים were comparing the size of what they received of the לחם הפנים and the lesson of how careful one needs to be with speech was brought home to all.

## GOING TO THE DOCTOR BEFORE CAMP?

Please make sure to review the message from the Nurse's Office in the Registration Packet that was emailed (and is available online) to see if your son needs any updated health records/immunizations before the start of the next school year. If you son does need anything updated, please take care of that as early as possible and send the updated medical forms to [businessoffice@ohrreuven.com](mailto:businessoffice@ohrreuven.com) so we can have the information when confirming registration and preparing admit cards in the summer.

## REGISTRATION REMINDER!

Registration is an annual process for both returning and newly admitted families. **If you did not receive the email from the Business Office with registration and forms or if you have any questions regarding registration, please contact the Business Office as soon as possible.**
