Second Grade

2021-2022

A Message for you.

As Sugar and flour come together to make
A wonderful cookie creation that you bake.
Parents and teachers join as one
To create an educated daughter or son.

It takes lots of love, caring and understanding
But an individual will emerge who is special notwithstanding.
We will work together to help each child bloom
So they can grow and prosper as they learn in this room.

So I share this little confection with you as I say
I am committed to helping your child grow each and every day.
Yes, the road is long, but the journey has begun
As we strive to educate your daughter or son.

Dear Parents,

Welcome to second grade where learning and fun is combined!

Please take some of your precious time to jot down a few lines about your son that you feel would be important for me to know as your son's teacher. Sometimes just knowing what can make your child tick, what he specially enjoys, thrives on, his talents, fears, difficulties etc. can make all the difference. Feel free to call me to discuss any more information in detail. I am looking forward to an amazing and productive year together.

Please send back with your child at your earliest convenience in a sealed envelope.
