YESHIVA KETANA SCHOOL LIBRARY

Dear Parents,

We are now in the process of building a library for our school and are happy to accept donations of new and gently used books for our library. All book donations should be appropriate for a Yeshiva setting for boys in grades K-8. If you know someone looking for a new home for their children's books collection or if you have books you are looking to clear out, please bring them to the Yeshiva office and help us build a fabulous library for our *talmidim*.

The following websites are suitable guidelines for purchasing new books:
