YKOR Feature: Shabbos in Montreal

A few weeks ago, the 6th Grade travelled to Montreal for a special Siyum Mishnayos together with their Rebbe, Rabbi Kohn and the Menahel, Rabbi Rawicki. The journey was filled with anticipation and excitement. On Friday the boys had a special trip to Sky Tag, an indoor trampoline park. On Shabbos, they joined with boys from Montreal and Toronto for an uplifting Friday Night Kabbolas Shabbos and Seudah. Despite the cold weather, the warm atmosphere of Shabbos and Achdus brought the boys closer together as they enjoyed the divrei Torah, and singing and dancing. The Shabbos culminated with the main highlight - a beautiful Melava Malka Siyum Mishnayos. Our very own Rabbi Kohn addressed the attendees of the Melava Malka.

A big thank you to all the generous sponsors of the trip. BEZ"H, the memories from this special Shabbos will stay with the talmidim for a long time to come!
