## Parent Feedback:

I just wanted to give you a nachas moment. We were in Torah Treasures today and Mordy (Pre1a) points to one of the framed gedolim hanging and says that's Reb Henocho Lebowitz. The man behind the counter was shocked and said not only did he get the correct rav to the right picture but how did he know Reb Henocho Lebowitz! He recognized him from when he learnt Hei for R' Henocho Leiborman as a part of the ג-א gedolim program. Thank you for all you do for the kids!
