

YOR Mesivta ספרים/ Supplies List - UPDATED

תשפ"ד - תשפ"ה / 2024 - 2025

The following is a list of the *seforim* that our *talmidim* will need for the new זמן. *Talmidim* are also encouraged to bring other ספרים that they would like to use throughout the year in Yeshiva.

This year the Yeshiva will be learning מצינעא בבא מסכת in עיון סדר. The *shiurim* for 10th, 11th, 12th Grades will be divided with each *shiur* learning a different *masechta*. Consequently, the Rebbe will provide a photocopy of the first *blatt*. Once the *talmidim* are assigned a *shiur* they will be able to purchase their *gemara*. In addition to the intense *iyun sederim*, the Yeshiva places great emphasis on finishing, *chazering*, and knowing the complete *masechta*. These are the best ways to engender a feeling of accomplishment and satisfaction in learning!

Please note that all 9th – 11th grade math students will be required to have a graphing calculator for Math class. Any model accepted by the college board for the SAT Suite of Assessments may be used.

Please visit <http://satsuite.collegeboard.org/sat/what-to-bring-do/calculator-policy> for a complete list.

Please note: The State has severely curtailed allotments to private schools regarding books. Therefore, students taking certain subjects will be required to purchase text or review books, which had been supplied by the state in the past. The students in those courses will be informed as the need arises.

Capitol Seforim has preowned seforim for reasonable prices. It is located behind the Atrium Plaza.
