

YOR Mesivta ספרים & Supplies List תשפ"ה - תשפ"ו / 2025 - 2026

The following is a list of the seforim that our talmidim will need for the new זמן. Talmidim are also encouraged to bring other ספרים that they would like to use throughout the year in Yeshiva. This year the Yeshiva will be learning בבא קמא קמא.

Some shiurim will be divided with each shiur learning a different masechta. Consequently, the Rebbe will provide a photocopy of the first blatt. Once the talmidim are assigned a shiur they will be able to purchase their gemara.

In addition to the intense Iyun Sedarim, the Yeshiva places great emphasis on finishing, chazering, and knowing the complete masechta. These are the best ways to engender a feeling of accomplishment and geshmak in learning!

Please note that all 9th – 11th grade math students will be required to have a graphing calculator for Math class. Any model accepted by the college board for the SAT Suite of Assessments may be used. Please visit <http://satsuite.collegeboard.org/sat/what-to-bring-do/calculator-policy> for a complete list.

The State has severely curtailed allotments to private schools regarding books. Therefore, students taking certain subjects will be required to purchase text or review books, which had been supplied by the state in the past. The students in those courses will be informed as the need arises.

Capitol Seforim has preowned seforim for reasonable prices. It is located behind the Atrium Plaza.
